Sir:

The present Supplemental Information Disclosure Statement is submitted for the Examiner's consideration in accordance with the Applicant's duty of disclosure.

Applicant is providing three references that were made of record during prosecution of Applicant's co-pending patent application serial numbers 10/660,153 and 10/245,483. U.S. patent application serial number 10/245,483 has been assigned to Examiner Mark Rosenbaum of the U.S. Patent Office.

Please note that European Patent EP 0965697 corresponds to Canadian Patent CA 2 275 067 (copy provided) that is written in the English language. In regards to the other foreign language reference, namely DE 1022082, please note that this reference apparently discloses in the figures an impact crusher that includes a rotor that throws objects against an impact plate for reduction. The Applicant will be happy to provide a translation of DE 1022082 if requested by the Examiner.

The Examiner is encouraged to contact the undersigned at his convenience should he have any questions regarding this matter or require any additional information.

Respectfully submitted,
